CITY CLERK
HONOLULU, HAWAII

For the tax year 2006

1- I am not under an obligation to prove my assessment is too high, rather you must prove to me that your assessment is justified.

2-Your arbitrary figures are not for a home that was built in 1937.

3-My home has changed ownership only 4 times in all that time.

4- It is not on a beach front or shore line.

5- Have been discriminated against by reason of race, creed and color. I insist you grant equal treatment to my homes tax exemption in Hawaii as though it were a Hawaiian home.

6- This applies both to property tax and water & sewer service.

7- This would be a maximum of \$100.00 for property tax per year and \$30.00 flat rate for water & *SEWER* service per month.

8- I expect these charges to be adjusted retroactively to 1979.

9- The requirement of a \$25.00 filing fee is an infringement on my constitutional right to petition government for redress of grievance.

WE SHOULD DEFEND THE IDEA THAT ALL CITIZENS ARE EQUAL BEFORE THE LAW.

AND THE LAW IS THE SAME FOR ALL.

THIS IS THE TRUE EXPRESSION OF TOLERANCE : : EQUALITY UNDER THE LAW.

Lawrence G. Ebel

If you do not schedule a hearing before the board I will consider that an actionable offense.
